Karl B. Browning, Commissioner

FOR IMMEDIATE RELEASE

Aug. 14, 2008

I-65 lane and ramp to I-80/94 restricted during Major Moves construction

Restrictions scheduled for approximately midnight to 5 a.m. Aug. 16

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the ramp from northbound I-65 to westbound I-80/94 will be closed from midnight to 5 a.m. Aug. 16. During the same time, the right lane of northbound I-65 from approximately 0.5 miles south of Ridge Road to 35th Street will be closed. This will allow pavement markings to be changed so traffic will be switched to travel on new ramp pavement.

This work is in relation to the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

During the ramp closure, a posted detour will direct I-65 traffic to take eastbound I-80/94 to the clover leaf ramps at State Road 51 (Ripley Street) to I-80/94 west.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to follow the posted work zone speed limit, use caution and consider worker safety when traveling through a construction zone. For more information about the Interchange Modification, visit www.in.gov/indot/div/projects/borman/ online.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
